

ALTERNATE MEANS & METHODS PERMIT REQUEST

There is a fee required to review and process Alternate Materials or Methods of Construction and/or Design requests. The fee is charged at an hourly rate of \$94 per hour with a 1 hour minimum regardless of approval.

This application is for a request for Alternate Materials and Methods of Construction or Alternate Design as allowed under the authority of Section 104.9 of the California Fire Code. Applicant must submit two copies by a Licensed engineer, Architect or Fire Protection Engineer depending on the request.
